

Two Is One

Words & Music: Niko Mueller / Inga Rumpf

Sometimes I feel like storm and thunder
And the world turns upside down
Sometimes I feel that I just slumber
Like a rock in the deepest ground

Between the devil and the deep blue sea
Secret harmony
Two is one is unity

Sometimes I feel the whole wide ocean
And I'm drifting with the tide
Sometimes I feel a hot emotion
When you lay down by my side

Between the devil and the deep blue sea
Secret harmony
Two is one is unity

Sometimes I think I'm going crazy
Losing my identity
Sometimes I'm so relaxed and lazy
Find my way back home to me

Between the devil and the deep blue sea
Secret harmony
Two is one is unity
