

Walk Beside Me

Words & Music: Rumpf/Müller

Publisher: Plaene

When I talk to you, I remember
My life was not an easy road
I found blind alleys, winding streets
And nowhere a sign to lead my feet

I'm not a runner, I'm not a straggler
I'm just a girl that walks alone
Many people joined my way
But you are the one I would beg to stay

Don't walk in front of me
I may not follow
Don't walk behind me
I may not lead

Walk beside me
And be my man
Walk beside me
And be my man

It's easy going when you know the right direction
And you feel comfort in sunshiny days
But when it's rainy, stormy and cold
You need someone close, a hand to hold
